EDUCATION

St. Xavier's College Burdwan
Jul 2019 – Jul 2022
Graduate in bachelor of computer application

EAST WEST MODEL SCHOOL
Apr 2010 – Mar 2019
Schooling

PROJECTS DONE

Celery & Wings
July 2022 – August 2022
A project on restaurant application where users can order food online before they reach restaurant.
Totally based on Node.js, Express.js, MongoDB Atlas and EJS. Each and every data is stored inside MongoDB Atlas and every user's password is stored in a hashed format to maintain user's privacy. Authentication and authorization is done using express sessions.
